

REACH Compliance Declaration

Regulation (EC) No. 1907/2006

The European Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force on 1st June 2007. Telcona AG is a distributor of electronic products; therefore, in the sense of REACH, we are classified as a “**downstream-user.**” The products we supply are solely non-chemical products (articles). Under normal and reasonably foreseeable circumstances of application, the goods supplied shall not release any substance. Consequently, Telcona AG is neither obliged to register substances nor to create Material Safety Data Sheets (MSDS).

1. Candidate List of Substances of Very High Concern (SVHC)

Telcona AG monitors the ECHA Candidate List continuously. We hereby certify that the products supplied do not contain any of the **254 Substances of Very High Concern (SVHC)** as listed on the ECHA Candidate List, updated through **January 2026**, in a concentration above **0.1% weight by weight (w/w)**.

This declaration accounts for all previous updates, including the significant additions in **June and November 2025** and the latest inclusions in **January 2026**.

The full list of these 254 substances can be accessed directly on the ECHA website:

2. Duty to Inform (Article 33)

In accordance with REACH Article 33, we commit to informing our customers immediately if any substance contained in our goods is classified as a Substance of Very High Concern in a concentration **above 0.1% (w/w)**. Based on the current status and information provided by our manufacturers, we do not expect such an incidence.

3. Supply Chain & Product Safety

We are intensively pursuing the realization of REACH requirements within our production lines and supply chain to guarantee a high level of product safety for our customers. We remain in close contact with our suppliers regarding the registration of relevant materials and implement these requirements as a core part of our supplier qualification process.
