

RoHS Declaration of Conformity

Directive **2011/65/EU** and Amendment **(EU) 2015/863**

Telcona AG hereby certifies that all products supplied comply fully with the requirements of **EU Directive 2011/65/EU** (RoHS 2) and its amendment **(EU) 2015/863** (RoHS 3). This declaration also accounts for the latest **Delegated Directives (EU) 2025/1802, 2025/2363, and 2025/2364** concerning the refinement of lead exemptions.

1. Restricted Substances

We confirm that the following substances are not present in any homogeneous material above the specified thresholds:

Substance	Limit (by weight)
Lead (Pb)	0.1%
Mercury (Hg)	0.1%
Cadmium (Cd)	0.01%
Hexavalent Chromium (Cr VI)	0.1%
Polybrominated biphenyls (PBB)	0.1%
Polybrominated diphenyl ethers (PBDE)	0.1%
Bis(2-ethylhexyl) phthalate (DEHP)	0.1%
Butyl benzyl phthalate (BBP)	0.1%
Dibutyl phthalate (DBP)	0.1%
Diisobutyl phthalate (DIBP)	0.1%

2. Exemptions

Telcona AG products are compliant through design or the use of valid technical exemptions as defined in Annex III. We specifically monitor the transition of lead exemptions (6a, 6b, 6c, 7a, and 7c) to ensure continued compliance under the new 2025/2026 sub-category requirements.

3. Global Compliance

Our products also meet the requirements of the **China RoHS** (Management Methods for the Restriction of the Use of Hazardous Substances in Electrical and Electronic Products), which as of **January 1, 2026**, restricts the same 10 substances listed above.
